Forecast for Wednesday 17 Nov 2021

Weather: Partly cloudy with occasional sunny spells, most frequent across eastern parts. Perhaps the odd shower moving into far western parts, but remaining light. Chance of thicker cloud arriving from the west during the evening, but many eastern hills remaining dry and clear.

Chance of cloud free mountain/hill tops above 600m: 90%

Visibility: Good or very good perhaps briefly moderate in showers with some very poor visibility possible above 600m as cloud obscures tops as they move through. Chance of more widespread cloud descending onto hills above 600m towards midnight.
